**Save up to \$15 on select Honeywell single-line laser scanners.**

For a limited time, Honeywell is offering a \$15 rebate on all Voyager 1250g units and a \$10 rebate on all Voyager 1200g units. The Voyager 1250g provides a superior out-of-box experience and aggressive reading of linear bar codes, including those up to 23 inches away. For users that require hands-free scanning, the easy-to-assemble Voyager 1250g stand increases throughput by incorporating automatic in-stand detection. The Voyager 1200g delivers aggressive scan performance on virtually all linear bar codes, including poor quality and damaged codes. Updated object detection, and automatic in-stand detection and configuration enable class-leading presentation scanning that maximizes throughput. ***Choose Honeywell for all of your scanning needs.***

**From September 19–December 31, 2011, resellers will receive an instant rebate on every qualifying product purchased through distribution. Please refer to the rules and regulations for additional information. Act quickly to avoid missing out on this offer.**
