### Schools

- Cafeteria
- School stores
- Administrative duties

Epson's TM-T88IV is perfect for cafeteria receipts, and the TM-H6000III is ideal for school store needs (including adding school logos and check processing). And in administrative offices, the FX890 maximizes speed and flexibility for inventory lists, records, and other administrative multi-part forms.

### Police Dept.

- Citations

A necessity for any law enforcement agency is the act of issuing citations. Whether looking for slip printing or validation, the TM-U590 and TM-U950 offers an ideal printing solution.

### Court Systems

- Fees
- Fines
- Forms

Everyday the court system processes hundreds of receipts for fees, fines, and forms documents. Epson's TM-T88IV, TM-U950, TM-H6000III, TM-U375, and TM-U675 can print basic receipts, electronic financial transactions, and more.

### Utilities

- Process payments and checks
- Receipts

Power, natural gas, and water maintenance companies look for efficient solutions on how to best expedite customer payments. Epson's TM-U375, TM-U675, and TM-H6000III are all designed to improve processing of payments and checks, whether dealing with simple receipts, to more complex MICR / check 21 electronic applications.

### Tax Offices

- Process payments and checks
- Receipts
- Forms

Tax offices deal with constant flow throughout the day, accepting a variety of payment forms for different tax needs. Epson's TM-T88IV, TM-U950, and TM-H6000III are designed to improve processing of payments and checks, whether dealing with simple POS receipts, to more complex MICR / check 21 electronic applications.

### Libraries

- Fees
- Forms
- Receipts

Epson TM-T88IV and TM-U220 increases efficiency for patrons checking out books and other multimedia items. The FX890 can help administrative offices with inventory, reporting, and forms documents.
