

# Premium Education Solutions For The Industry's Best Value

## The Advanced Communications Features And Worry-Free Service That Lets Schools Focus On Teaching!

### Reliability

- 99.999% guaranteed uptime reliability
- Continuous, automated monitoring of all systems
- Extensive disaster avoidance and recovery protections so schools never lose contact

### Advanced Functionality

- Cloud-based auto-attendants free up staff
- Mobile apps allow staff to make and take calls on a cell without showing a personal number
- Voice and video conferencing enhance collaboration

### Cost Savings

- Switching is easy and affordable
- Line pooling allows all locations on an account to share a single pool of lines
- Hardware leasing options available

*We cut our costs and got a system that has more features (like Find Me - Follow Me). More importantly, more of our staff are using telephony features like voicemail, voicemail to email, conference calling, and call parking.*

-- Sam Horowitz, Director of Technical Services, The Robert E. Webber Institute for Worship Studies  
(Source TechValidate Customer Survey)

“67% of customers saved 10% or more on their monthly communications bill” -  TechValidate
