## Built-in speakers and integrated IO.

Audio In/Out | VGA | HDMI | DP | USB-B 2.0 | 2x USB-A 2.0

## Affordable, commercial-grade touchmonitor.

The 70-Series Touchscreen Monitors deliver the quality and reliability Elo is known for and are backed by our 3-year standard warranty, extendable to 5-years with optional advance unit replacement.

## Designed for ease of use & viewing comfort.

### Touch OSD

Now you can navigate the OSD directly on the touchscreen.

### Low blue light

Filter out harmful blue lights to help reduce eye strain.

### Flicker free

By operating at a high refresh rate, the perception of flicker is eliminated.

## Durable touchscreens built to survive continuous public use.

With a narrow border TouchPro® PCAP touchscreen and a robust, scratch resistant edge-to-edge glass design, the 70-Series offers both clear or anti-glare options.

## Minimalistic design. Modern versatility.
