TAILORED TO YOUR BUSINESS

TIME & ATTENDANCE TRACKING SOLUTIONS

Track and Report on Employees' Time from Any Location

Automated Time Tracking Features

PreciseTime is an easy-to-use, accurate, and cost-effective solution to efficiently track, report and pay on employee attendance.

EASY-TO-USE INTERFACE

All your organization's schedules, time, and attendance data made accessible, adaptable, and reliable.

ROLE-BASED SECURITY ACCESS

Restrict sensitive data and save time by managing user accounts, permissions, and security settings in one centralized location.

EXPORTS TO PAYROLL SYSTEMS

PreciseTime conveniently exports to your existing payroll systems, including QuickBooks, ADP, ADP Web, Paychex, and more.

IMPROVED MANAGER FUNCTIONALITY

Managers can instantly access an overview of their employees' timecard approval status and hours worked through enhanced tracking features.

ROBUST REPORTING

Generate standard management reports or customize your own to meet local and state government compliance regulations.

TRACK TIMECARDS FROM ANYWHERE

The mobile app enables employees of all types, including those in hybrid, remote, or field positions, to conveniently clock in and out from any location.
