- Durable Design: Built to withstand high-traffic environments with a modern aesthetic
- Seamless Integration: Optimized for Microsoft Teams, including Express Install for Teams Rooms and Zoom

### PANACAST 50

The award-winning hybrid meeting experience for medium size rooms

#### The core PanaCast 50 experience:

- 180° field-of-view delivering wall-to-wall room coverage
- Four powerful speakers and eight beamforming microphones for astounding Jabra sound with full duplex audio, noise suppression, super wide band audio and echo cancellation
- Intelligent meeting room experiences that deliver more inclusive hybrid meetings, including;
  - Intelligent Zoom that automatically adjusts the field of view in real time
  - Virtual Director that intelligently tracks the active speaker
  - Dynamic composition that delivers a close-up view of the 4 most recent speakers in the room
- Safety Capacity and Room Usage Insights generates anonymous room occupancy data
- Network-connected system enables easy remote management and data access
- Real-time whiteboard streaming for more inclusive remote collaboration
- Plug-and-play for fast setup and maximum ease of use

### PANACAST 20
