

Power Your Printer Your Way

With Zebra's AC Powered Battery Eliminator

In today's fast-paced environment, having to interrupt an extended task to recharge or replace a mobile printer battery could become disruptive. Not anymore. With Zebra's AC Powered Battery Eliminator, batteries are no longer needed until you're ready to be mobile again.

Flexible Mobile Printing Without the Battery

Always be Ready

Access printing from WOWs (workstations on wheels), powered carts, wall mounts and more without power limitations

Meet Safety Requirements

Protect patients with an IEC-60601 compliant power supply

Keep Workspaces Tidy

Reduce clutter with rear- or front-facing cords that stay out of the way

Reliable Output Everywhere

Maintain power in the OR and at patients' bedside for accurate labeling at any time

Benefit from More Flexibility

Easily swap back to batteries when you need to move

Eliminate Battery Management

Save time and money with no need for battery monitoring and replacement

For applications in:

Healthcare

Retail

Warehouse

Manufacturing

Printer Compatibility

The AC Powered Battery Eliminator is compatible with the following mobile printers.

CHG-MPP-BEPSAC1-2
(front-facing)

CHG-MPP-BEPSAC2-01
(rear-facing)
