PROMOPRNT

PromoPRNT allows retailers to automatically create printed promotions in addition to receipts. These incentives and bonuses are delivered directly to shoppers' hands, boosting customer retention and notifying customers of new deals and promotions.

PROMOPRNT ™

STAR CLOUDPRNT TECHNOLOGY

Star Micronics' CloudPRNT technology enables users to print to Star printers directly through a cloud service. CloudPRNT works with the web-based POS service to store and create print jobs, and communicate status with the printer.

Enterprise Solution

ABOUT US

A World Leading POS Provider

Star Micronics, a world leading POS provider, has designated a portfolio of printing, secure cash management, and customer engagement solutions for any retail or hospitality establishment with a POS or mPOS environment. Always leading, and always innovating, Star Micronics has developed printing solutions including CloudPRNT, AirPrint-certified printing, Lightning connectivity, and the future-proof mCollection which includes printers, scales, stands, peripherals, and more. Star Micronics' customer engagement solutions suite includes digital receipts, customizable receipt promotions, and more.
