

MAKE YOUR SMALL BUSINESS & WORK FROM HOME CUSTOMERS 5 TIMES AS HAPPY! Aruba's IgnitiON 5 Pack Offer

For many small businesses, the new normal is working from home, or a hybrid in office/home office environment. No matter what that looks like, small business owners have everything riding on their Wi-Fi. If it goes out, so does their business. But they need more out of their Wi-Fi. Their customers and employees need the best mobile Wi-Fi experience at an affordable price.

Aruba Instant On access points deliver great value to your small business customers. Incredible Wi-Fi speed and reliability, simple setup that does not require dedicated network personnel. Plus, enterprise grade security and cloud network management from award winning Aruba, a Hewlett Packard Enterprise company.

Also included is peace of mind with one-year warranty. Phone support is free for 90 days and chat support is free for the first year. There are no hidden subscription fees or gotchas. Aruba Instant On offers a new way for your customers to grow their business.

For a limited time, resellers can purchase 5 Aruba Instant On access points at an incredible price and help their small business customers with the new hybrid workplace.
