## CHARACTERISTICS

### 1. Modular Design

Slim and sleek and featuring an assortment of bezel-attached peripherals, the Peak Android is designed to fit any industry: Retail, Restaurant, Entertainment, Aviation, Lottery, Gaming, Betting and Warehouse

### 2. Commercial-Grade Performance

Equipped with Android 12 and a long-life Qualcomm® SDA660 chipset, the Peak delivers secure and reliable performance for all your applications

### 3. Extreme Versatility

The Peak can be adapted to any touchpoint requirement. Leverage its extensive I/O and transform it into a robust countertop POS system. Mount it on one of Custom's Connect kiosk stands and you have an instant self-service device. Affix it to the wall or shelf and deploy it as a price checker, endless aisle station or kitchen display system

### 4. Simplified Serviceability and Deployment

Ruggedized for Retail, the Peak features a removable compute box that simplifies maintenance and future expansion. An optional Power over Ethernet (POE) module reduces installation to a single cable

### 5. MDM Ready

The Peak is certified by leading MDM providers making it an easy device to add and manage within your fleet
