

Premium performance you can wear three ways.

The BlueParrott C400-XT is the premium quality, convertible choice for road warriors. With a choice of wearing styles, over-the-head and two behind-the-neck options (left and right), perfect for those who wear hats. Its large leatherette ear cushion delivers better comfort and sound. The C400-XT also gives you 24+ hours of talk time, so you can talk all day. While 96% noise cancellation—combined with its IP54-rated water resistance and cold temperature rating—lets you take calls anywhere. Familiar B450-XT/B350-XT controls include our exclusive Parrott Button™, that you can set to the function that you choose. And VoiceControl™ for call answering/ignoring makes the C400-XT truly hands free.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise.*
- **All-day conversations.** Up to 24 hours of talk time.
- **Designed for every wearing need.** 3 wearing styles included.
- **Focus on the job.** VoiceControl™ for hands-free use.
- **Control the headset your way.** Customize your favorite features with the Parrott Button™.
- **Built to last, whatever the conditions.** IP54 rated for water and dust resistant.
- **Streams your multimedia.** Music, GPS directions, and more.

Engineered for superior calls in high-noise environments
