## MxP™ SELF-CHECKOUT 820

### ENVISION BRILLIANT COMMERCE WITH A UNIQUE CUSTOMER-CENTRIC SELF- SERVICE SOLUTION

The MxP™ Self-Checkout 820, powered by our proven CHEC software running on our ELERA® Self Service platform provides our retailers with the ability to embrace a forward-thinking approach with modularity that offer shoppers a fast and intuitive checkout experience.

The platform creates dynamic customer experiences that enable retailers with the ability to tailor a personalized front end according to their customer, operational, and floor space needs.

The retail-inspired design of MxP™ Self-Checkout 820 with three innovative designs (cash-recycling, cashless, and kiosk) prepares retailers for the future by allowing modules to be added or reconfigured as store needs change, while offering investment protection and a continued focus on reliability, security, and compliance standards.

### KEY BENEFITS

Creates a dynamic self-checkout experience that's more appealing, intuitive, and natural for customers to use

Allows retailers to deploy more self-checkout lanes that minimize usage of valuable retail space

Optimizes configurations that shoppers can use for a broad range of basket sizes, store formats, and mobile shopping

**TOGETHER  
COMMERCE**

Today's shoppers expect their in-store experiences to be as flexible and convenient as they are in digital channels, including online and mobile. Customers are more connected to technology than ever and have embraced the new ways it enables them to control their own shopping journey, including checkout.

## EXCEED EXPECTATIONS

Shoppers are more connected to technology than ever and have embraced the new ways it enables them to control their own shopping journey, including checkout. Retailers need to deliver personalized and integrated digital experiences across self-service touchpoints to meet and exceed shoppers' expectations. MxP™ Self-Checkout 820 empowers retailers to address those challenges.

Offers a user-friendly checkout

Allows fast, easy, and frictionless customer experience

Provides expanded shopping options for loyalty and mobile shoppers

Accommodates configurations for a variety of basket sizes

## A TOTAL SOLUTION FOR SUCCESS

The retail-inspired design of MxP™ Self-Checkout 820 prepares retailers for the future by allowing modules to be added or reconfigured as store needs change, while offering investment protection and a continued focus on reliability, security, and compliance standards.

- Flexibility gives retailers a choice on modularity
- Improved store layout and space utilization
- Advance A.I. and Computer Vision provides an extra layer of loss prevention
- Hardware and software ADA Accessibility options available

WHY CHOOSE THE

**MxP™  
SELF-CHECKOUT 820**

Designed for retail means the MxP™ Self-Checkout 820 uses retail-hardened components and materials that maximize availability and reliability, protecting your investment for years to come.
