## PREFERRED MODELS

AVAILABLE AND ORDERABLE FROM YOUR TOSHIBA DISTRIBUTOR **NOW**

### THANK YOU FOR YOUR LOYALTY TO TOSHIBA.

Preferred Models are designed to help you be more price competitive, with readily available supply to increase sales and boost your bottom line.

What makes these models even more valuable? **Preferred Models are stocked on the shelf at Distribution**, ensuring faster delivery and fewer delays—so you can close deals quicker and keep your customers satisfied.

Enhance your profitability and streamline your hardware procurement with Toshiba's Preferred Models.

MT	MODEL	DESCRIPTION
6201	E55	TCx 810 [15", Intel 11 Gen Core i5, 16GB Mem FC 7025, 256GB SSD, 180W Power; Win 10 IoT Ent 2021 LTSC FC4111, no stand]
6201	E65	TCx 810 [15.6", Intel 11th Gen Core i5, 16G Mem FC7025 SSD, 180W Power; Win 10 IoT Ent 2021 LTSC FC411, no stand]
4828	E2C	TCx 810E [15" FC2000, Intel 8th Gen Celeron, 8GB Mem, 256GB SSD, 180W Power; Win 10 IoT Ent 2021 LTS FC4103, no stand]
6225	E95	TCx 820 [15", Intel Core 5 Processor 130UL (Series 1), FC1110 - 16GB Mem. FC2009 - 256GB SSD. No Flex Port. No WiFi-BT. No Camera. No Stand. FC8111 - Win 11 IoT Ent LTSC 2024]
6225	E65	TCx 820 [15.6", Intel Core 5 Processor 130UL (Series 1), FC1110 - 16GB Mem. FC2009 - 256GB SSD. No Flex Port. FC2585 - WiFi-BT. No Camera. No Stand. FC8111 - Win 11 IoT Ent LTSC 2024]
6225	E6C	TCx 820 [15.6", Intel Core Processor UL300 (Series 1), FC1109 - 8GB Mem. FC2009 - 256GB SSD. No Flex Port. FC2585 - WiFi-BT. No Camera. FC7101 - Stand w/Hub USB Mix. FC3905 - Power Adapter 180W Power - 2M Power Cord US/Canada - FC8200 - TCx OS for Android]
6225	E65	TCx 820 [19.5", Intel Core 5 Processor 130UL (Series 1), FC1110 - 16GB Mem. FC2009 - 256GB SSD. No Flex Port. No WiFi-BT. No Camera. FC7104 - Stand w/Hub USB mix. FC8111 - Win 11 IoT Ent LTSC 2024]
4901	E15	TCx 900 [Intel 13th Gen Core i5, 16GB Mem FC7951, 256G SSD FC8720, Front USB, Win 10 IoT Ent 2021 LTSC FC4061]
4901	915	TCx 900 [Intel 13th Gen Core i5, FC7951 - 16GB Mem. FC8720 - 256GB SSD. Front USB, 250W Power Adapter, FC9875 - Power Cord, Non-locking, USB Mix Connectivity]
4901	91C	TCx 900 [Intel 13th Celeron, FC7951 - 16GB Mem. FC8720 - 256GB SSD. Front USB, 250W Power Adapter, FC9875 - Power Cord, Non-locking, USB Mix Connectivity]
6150	P15	TCx Touch Display [15" Monitor; Touch, Black]
6150	P16	TCx Touch Display [15.6" Monitor; Touch, Black]
6150	P19	TCx Touch Display [19.5" Monitor; Touch, Black]
6145	1TN	TCx Single Station Printer; USB, Black FC2925

Toshiba TCx 810 retail hardened All-in-One POS system drives today's smarter store solutions through innovation that delivers maximum performance, high availability, easy serviceability, energy efficiency, and adaptability.  
**Available in 15" and 15.6"**

Toshiba TCx 810E All-in-One POS system is designed and optimized specifically for hospitality, quick service, and other nontraditional retail, without giving up value or functionality.  
**Available in 15"**

Toshiba TCx 900 POS System offers the "best in class" modular solution that drives smarter and faster transactions for retailers. For a "total solution" the TCx 900 POS solution can be paired with our versatile TCx Touch Displays and TCx Printers.

Toshiba TCx Single Station Printer offers high-performing printing solution that's easy to configure, install and manage.

Toshiba TCx 820 All-in-One POS systems are your gateway to the future of retail. Designed tough to meet the demands of an ever-evolving retail landscape, it delivers reliable, high-performance solutions that ensure fast, efficient checkouts—anytime, anywhere – enhancing the customer experience.  
**Available in 15", 15.6" and 19.5"**

Toshiba TCx Touch Display are designed to inspire and perform across a variety of environments, going beyond the standard POS setup. Engineered with style, innovation, and reliability in mind, our advanced displays seamlessly align multiple touchpoints in-store for your retail landscape.  
**Available in 15", 15.6" and 19.5"**
