

ZEBRA FIXED INDUSTRIAL SCANNER

BUNDLE BUYING GUIDE

Zebra's fixed industrial scanners (FIS) automatically track and trace items from production to distribution. Upgradeable features grow as needed to meet the evolving needs of your customers' businesses. From advanced scanning to machine vision, Zebra provides it all.

ScanSource is proud to offer the full family of Zebra FIS and has created this guide to help you easily bundle cables, power sources, and other accessories required to support four popular FIS models. In addition to brief descriptions, we've included a complete set of SKUs for easy ordering.

Be sure to explore the last page for more information and resources on Zebra's FIS products. For any further questions, reach out to your ScanSource sales representative.

FS10 Fixed Industrial USB Scanner

FS10-SR10F1-1C00W

Plug-and-play high quality scanning in the smallest package. Capture barcode data in a variety of settings, including manufacturing, logistics, and fulfilment. It does not require a power cord because it can be plugged into a USB port on a device like a laptop, tablet, or workstation.

- Auto focus
- Standard range
- 1.0MP
- Fast 2D barcode decoder
- Red and white illumination

BUNDLE WITH:

Cable, USB 2M, Locking USB-C To USB A
Cable, USB 2M, Locking USB-C To USB C

CBL-USB00200-USA00
CBL-USB00200-USC00

FS40 Fixed Industrial Auto Focus Scanner

S40-SR20D4-2C00W

The ultra rugged FS40 delivers a comprehensive set of capabilities required to meet complex barcode capture requirements, all in a single package. Tailor the device to your specific needs with flexible options from decode range, illumination, and connectivity to power and more.

- Standard Range
- 2.3 MP
- DPM with Fast 2D barcode decoder
- Ethernet with POE, serial, USB, and industrial protocols
- Red illumination
- No attached filters

BUNDLE WITH:

Cable, USB 2M, Locking USB-C To USB A Cable, USB 2M, Locking USB-C To USB C Cable, Ethernet 5M, X-Coded M12 To CBL-USB00200-USC00 RJ45, Standard Flex Power Device, Zebra, Cable, Power 5M, 12 CBL-ENT00500-M1200 Pin M12 To Flying Leads CBL-PWR00500-M1200

FS20 Fixed Industrial POE Scanner

FS20-SR10D3-2C00W

Compact networkable high-quality scanner. The smallest of Zebra's networkable fixed industrial scanners, it easily fits wherever basic barcode scanning is required. Power-over-Ethernet simplifies deployment, and multiple connectivity options enable easy integration into a PLC or host network.

- Auto focus
- Standard range
- 1.0MP
- DPM with Fast 2D barcode decoder
- Ethernet with POE, serial, and industrial protocols
- Red illumination

BUNDLE WITH:

Cable, Ethernet 3M, A-Coded, Male M12 to flying leads
Cable, Ethernet 1M, X-Coded M12 to RJ45, Standard Flex
Cable, Ethernet 5M, X-Coded M12 to RJ45, Standard Flex
Power Device, Zebra, Poe Injector, 30W Poe+, AC Input
Power Device, Zebra, Poe Injector, 60W Poe+, AC Input
Power Device, Zebra, Cable, Power 5M, 12 Pin M12 To Flying Leads, Standard Flex

CBL-ENT00300-M1200
CBL-ENT00100-M1200
CBL-ENT00500-M1200
PWR-POE30W-0000
PWR- P O E60W- 0 0 0 0
CBL-PWR00500-M1200

You only need power supply if you don't have PoE infrastructure. You can power the FS20 with a standard 24V DC power supply.

FS70 C-Mount Fixed Industrial Scanner

FS70 - CM 50 D5 - 0 C0 0W

Completely customizable to meet unique scanning needs. Choose from 4 image sensors and a world of sea mount external lens and lighting options. Add advanced capabilities including machine vision with simple software upgrades.

- 5.1 MP
- DPM with fast 2D decoder
- Dual Ethernet (1 POE)
- Serial, USB, and industrial protocols
- Lens not included

BUNDLE WITH:

Cable, USB 2M, Locking USB-C To USB A
Cable, USB 2M, Locking USB-C To USB C
Cable, Ethernet 3m, A-Coded, Male M12, To Flying Leads
Cable, Ethernet 1m, X-Coded M12 To RJ45, Standard Flex
Cable, Ethernet 5M, X-Coded M12 To RJ45, Standard Flex
Power Device, Zebra, Poe Injector, 30W Poe+, AC Input
Power Device, Zebra, Poe Injector, 60W Poe+, AC Input
Power Device, Zebra, Cable, Power 5M, 12 Pin M12 To Flying Leads, Standard Flex

CBL-USB00200-USA00
CBL-USB00200-USC00
CBL-ENT00300-M1200
CBL-ENT00100-M1200
CBL-ENT00500-M1200
PWR-POE30W-0000
PWR-POE60W-0000
CBL-PWR00500-M1200

Power the FS70 with POE, 24V DC Power Supply, or a USB-C port.

ZEBRA FIS RESOURCE CENTER

ZEBRA FIS ACCESSORY GUIDE

This comprehensive guide provides the details on the accessory family for Zebra's portfolio of fixed industrial scanners. You'll find accessories that are shared between all models, such as cables and external lighting, as well as model specific accessories.
