List Price Reduction and Discount Code ES1 for End of Sale (EOS) Printers

Zebra will reduce list prices by up to 46% for the End of Sale printers listed below.

These products will be assigned to the ES1 discount code, which will provide a 60% recommended discount to all partners. Inventory for these products is limited. View the [Available to Ship Report](#) on Partner Gateway for the latest inventory updates each Monday and Thursday.

These changes are intended to help partners and Zebra drive incremental sales of EOS printers at significantly reduced prices. The following details apply:

- Discount Code ES1 is an exception and will not be part of Zebra's standard discount structure.
- The product access category for all affected SKUs will be changed to Access Code 1-Open.
- Offers for all applicable SKUs are subject to inventory availability. Orders may be canceled by Zebra and/or the distributor if there is no stock for the applicable SKU.
- When purchasing from distribution, all pricing to partners is determined between the distributor and partner.
- Pricing information on Zebra Solutions Pathway will NOT reflect these list price changes. However, new orders for these products, placed on or after the Effective Date, will reflect the changes.
- The applicable printers are eligible for the Deal Registration Program.
- Zebra reserves the right to modify, withdraw or cancel this offer and discount code ES1 for all or any SKU(s) at any time for any or no reason without prior notice.
