

What is Express Install for Microsoft Teams Rooms?

PanaCast Android video bar solutions make your meetings smoother right from the word go. Designed for simple deployment, installation is a breeze! Paired with the Salamander Designs Acadia Tabletop Stand, PanaCast 40 VBS is a seamless solution for Microsoft Teams including Express Install for Microsoft Teams Rooms. Whether meeting in a medium-sized meeting room or a small glass pod, PanaCast Android video bar solutions give everyone a seat at the virtual table. Their unique 180° field-of-view ensures everyone is part of the picture – even those close to the screen, in the corner or against the wall. No distortion. No blind spots. Just a 4K panoramic view that captures everyone in the room.
