

What is Express Install for Microsoft Teams Rooms?

It is a compilation of partners coming together to deliver a single solution to our customers. In this case, it is the Jabra PanaCast 50 VBS, the Salamander Acadia Tabletop Stand, and VESA Mounting Displays ranging from 43" - 65". From set up to fully running, the Express Install for Microsoft Teams Rooms bundles should see our end users up and running in under 90 minutes.
