FEBRUARY 2021

SAFE HARBOR AND NON-GAAP

Safe Harbor Statement

This presentation contains certain comments that are “forward-looking” statements that involve plans, strategies, economic performance and trends, projections, expectations, costs or beliefs about future events and other statements that are not descriptions of historical facts. Forward-looking information is inherently subject to risks and uncertainties.

Any number of factors could cause actual results to differ materially from anticipated or forecasted results, including but not limited to, the impact of COVID-19 pandemic on our operations and financial conditions and the potential prolonged economic weakness brought on by COVID-19, the failure to manage and implement our organic growth strategy, credit risks involving our larger customers and suppliers, changes in interest and exchange rates and regulatory regimes impacting our international operations, risk to our business from a cyber-security attack, a failure of our IT systems, failure to hire and retain quality employees, loss of our major customers, termination of our relationship with key suppliers or a significant modification of the terms under which we operate with a key supplier, changes in our operating strategy, and other factors set forth in the “Risk Factors” contained in our annual report on Form 10-K for the year ended June 30, 2020, and subsequent reports on Form 10-Q, filed with the Securities and Exchange Commission (“SEC”).

Although ScanSource believes the expectations in its forward-looking statements are reasonable, it cannot guarantee future results, levels of activity, performance or achievement. ScanSource disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required by law.

Non-GAAP Financial Information

In addition to disclosing results that are determined in accordance with United States Generally Accepted Accounting Principles (“GAAP”), the Company also discloses certain non-GAAP measures, including non-GAAP operating income, non-GAAP operating margin, non-GAAP net income, non-GAAP diluted earnings per share, non-GAAP net sales, non-GAAP gross profit, non-GAAP gross margin, non-GAAP SG&A expenses, adjusted EBITDA, return on invested capital (“ROIC”) and net sales excluding the impact of foreign currency exchange rates and acquisitions (organic growth). A reconciliation of the Company's non-GAAP financial information to GAAP financial information is provided in the Appendix and in the Company's Form 8-K, filed with the SEC, with the quarterly earnings press release for the period indicated.

Unless otherwise noted, our business descriptions and results in this presentation reflect continuing operations only.
