High Quality Products Made in the USA

About ENS

- As the industry leader in credit/debit terminal mounting solutions, Engineered Network Systems provides innovative custom solutions that put technology where you need it, when you need it.
- Our experience encompasses more than 15 years of designing and manufacturing products for world class customers.
- Comprehensive suite of secure payment terminal mounts for all major brands.
- Our engineers and designers are committed to building the best products with a focus on the finest quality controls to achieve our #1 priority - complete customer satisfaction.
- Designed with compliance in mind: PCI, EMV, ADA, RoHS, REACH, Ergonomics and more.

Protect Your Investment

Stands from ENS provide a secure method to help protect your payment device from the rigors of everyday use, skimmers and tampering.

Superior Quality Products

All ENS' products are manufactured in the U.S. Once you have samples of our products in your hands, you'll see why ENS is well known for creating superior quality products.

Payment Experts

Based on our long-term partnerships with the largest payment companies in the world; we are the leader in mounting payment terminals. Our products pair with any payment terminals produced by Verifone, Ingenico, Equinox, Pax, MagTek and many more.

Customization Capabilities

ENS has the expertise in engineering to create a custom mount, mPOS enclosure, rack or shelf specific to your customer's exact needs.

Competitive Pricing

In addition to providing superior quality products, ENS products are also price-competitive to the market.

Compatible with Equinox Payment Terminals

Part Number	Description	Physical Dimensions (W x D x H) in. with device mounted	Weight
367-2492	Low Profile Stand for Equinox L5200	4.75 x 8.39 x 6.85	2
367-2537-DB	Locking Low Profile Stand for Equinox L5200	4.75 x 8.39 x 6.87	3
367-1883	Low Profile Stand for Equinox L5300	4.75 x 9.47 x 7.06	3
367-2474-DB	Locking Low Profile Stand for Equinox L5300	4.75 x 9.49 x 7.06	2

Compatible with Ingenico Payment Terminals

367-2727	Low Profile Stand for Ingenico iPP320/iPP350	4.75 x 7.04 x 4.43	2
367-2204	Low Profile Stand for Ingenico iSC250	4.75 x 6.80 x 5.31	2
367-3809	Low Contour Stand for Ingenico iSC250 with EMV Clearance	4.75 x 6.71 x 4.68	2
367-3810-DB	Locking Low Contour Stand for Ingenico iSC250 with EMV Clearance	4.75 x 6.71 x 4.68	2
367-3051-DB	Locking Low Contour Stand for Ingenico iSC250 with Anti Skimming Plate, Data Port Blocking and EMV Clearance	4.75 x 7.93 x 4.68	3
367-2117	Low Profile Stand for Ingenico iSC480	4.75 x 7.92 x 4.56	2
367-3251-DB	Locking Low Contour Stand for Ingenico iSC480 with Anti Skimming Plate, Data Port Blocking and EMV Clearance	4.75 x 8.72 x 5.71	3
367-3811	Low Contour Stand for Ingenico iSC480 with EMV Clearance	4.75 x 7.93 x 4.69	2
367-3812-DB	Locking Low Contour Stand for Ingenico iSC480 with EMV Clearance	4.75 x 7.93 x 4.69	2

Compatible with Verifone Payment Terminals

367-3227	Low Contour Stand for Verifone VX805/VX820	4.75 x 6.76 x 5.68	2
367-1073-DB	Locking Low Profile Stand for Verifone MX830/850/860/870	4.75 x 8.51 x 4.08	3
367-3046-DB	Locking Low Contour Stand for Verifone MX915 with Anti-Skimming, Data Port Blocking and EMV Clearance	4.75 x 7.11 x 6.42	3
367-3047-DB	Locking Low Contour Stand for Verifone MX915 with Anti-Skimming, Data Port Blocking and EMV Clearance	4.75 x 7.38 x 6.53	3
367-3213	Low Contour Stand for MX915 / MX925 with EMV Clearance	4.75 x 6.53 x 6.31	2

Accessories for ENS Payment Terminal Stands

367-0683	Metal Base and Glue Pad for ENS Round Base Stands	4.50 x 4.50 x 0.13	Less than 1
367-0731-B	7" Diameter Metal Base, includes a Glue Pad and Rubber Pad for ENS Round Base Stands	7.00 x 7.00 x 0.23	2
