

# Epson CaptureOne™

## Desktop Check Scanner

- Ideal for branch, RDC and BOC applications
- 30, 60 and 90 DPM units available
- High MICR accuracy
- Built-in franker
- Double feed detection
- Flexible 2-pocket support
- 100-check document feeder
- Industry-leading two-year warranty

A true value in desktop imaging, Epson's CaptureOne offers all the cost-saving benefits of check capture together with a high MICR accuracy, an industry-leading two-year warranty and the reliability Epson is known for.

#### Leading MICR accuracy and advanced features

Epson's CaptureOne check scanner comes in 30, 60 or 90 DPM models. All three scanners feature the Progressive MICR Method and advanced imaging to provide the highest MICR accuracy of any desktop scanner on the market today. In addition, CaptureOne features clear electronic endorsements, a double check detector that virtually eliminates double check feeding and a built-in franker that prints a static message on checks to prevent double processing.

#### Flexibility to meet application requirements

CaptureOne comes with two-pocket support as a standard feature. This gives you the flexibility you need to process exceptions, on-us checks or segregate different types of documents such as checks and payment coupons, depending on your application. In addition, our 100-sheet document feeder is also standard.

#### Easy to use. Easy to maintain

Because the CaptureOne scanner is used in both branch and remote locations, we designed it to be easy to use and maintain. The check scanning process is simple and tasks like clearing a jam or replacing the franker unit are quick and easy with no special training required. CaptureOne also features advanced self-diagnostics which keep the operator informed of the scanner status and when it is time for maintenance.

#### Epson quality and reliability

Only CaptureOne features all-metal components to ensure the long life of the scanner. And with a MCBF of 2.47 million documents, CaptureOne has the reliability you need.

#### Industry-leading warranty

Unlike other scanners, CaptureOne is the only check scanner available that comes with a standard two-year warranty. For additional coverage, Epson's Spare-In-The-Air® program is available for shipping replacement units overnight.

# Reliable Desktop Check Scanner for Imaging Applications

## All the features you need

- Ideal for branch, RDC and BOC applications
- 30, 60 and 90 DPM units available
- Highest MICR accuracy in its class
- Built-in franker
- Double feed detection
- Flexible 2-pocket support
- 100-check document feeder
- Industry-leading two-year warranty

## Scanner

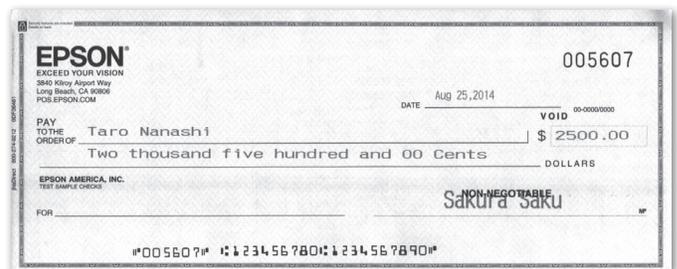

Scanner type	CIS (Contact Image Sensor)
Resolution	100 dpi, 120 dpi, 200 dpi
Scanning mode	Black and white, 256 shade grayscale
Performance	
Transport speed	500mm/sec (19.68 inches)
Scanning speed	30 DPM model up to 30 DPM, 60 DPM model up to 60 DPM, 90 DPM model up to 90 DPM
MICR	Progressive MICR method
MICR symbologies	CMC7 and E13B
Media	Personal and business-size checks, coupons and remittance documents
Document specifications	Length: 120mm – 235mm (approx 4.8" to 9") Height: 65mm – 125mm (approx 2.5" to 4.9") Thickness: .075mm – .200mm (approx .003" to .008") Weight: 60 to 120 g/m2 (approx 16lb to 32lb)
Pockets	2 pockets
Pocket capacities	ASF – 100 sheets Subpocket #1 – 100 sheets Subpocket #2 – 50 sheets
Data compression	CCITT Group 4, JPEG
Data transmission format	TIFF, JPEG, Windows® Bitmap, Raw
Reliability	2,470,000 MCBF
Life	1,000,000 documents
Memory for scanning	4 MB DRAM
OCR	E13B, OCR A and OCR B supported
Electronic endorsement	Logo, graphics or True Type Font can be placed anywhere on image
Franker life	18,000 sheets
