

Cash Drawer

ION Cash Drawer

The ION Cash Drawer represents an ideal balance of quality and price. It has all the same features as more expensive models—smoother operation, a strong locking mechanism, and fully adjustable till—but at a price to fit any budget.

The ION Cash Drawer is available in 16" (406mm) and 18" (459mm) models and has been designed to withstand the wear and tear of retail and restaurant applications. To maximize versatility, it is also available in a standalone manual version, ideal for mobile applications.

Available in black or stainless steel face, the ION Cash Drawer comes with a 3-Year Warranty, and is compatible with multiple printer brands, including POS-X, Epson, Citizen, Ithaca, and Star, to name a few.

Shown with optional stainless steel face
