

The iSAPPOS iPad POS stand can quickly turn your iPad into a professional retail POS. It's sleek design matches the look and feel of Apple's iPad tablets. Purpose built for iPad point-of-sale applications, the iSAPPOS A stand protects your iPad both in the stand and during mobile operation.

MOBILE POS

Your iPad easily detaches from the stand, allowing for mobile operation of your point-of-sale iPad

CABLE FREE OPERATION

With a built in power cable, simply drop the iPad in the stand to start charging

FLIP-OVER DESIGN

Flip-over design allows for customer interaction such as signature capture or loyalty

LOCKING STAND

Designed for security, lock your iPad to the stand to stop from accidental bumps and drops
