

# YOUR SOLUTION MAXIMIZED

*Keep pace with increasing wireless demands.*

As hard as you work to seize opportunities for your business and turn them into profitable deals, you need support you can trust – especially when it comes to WiFi survey and deployment. ScanSource Services Group has a team of experienced experts certified in Aruba Networks, Avaya, Cisco, Intermec, Meru, Motorola Solutions and Ruckus Wireless who are dedicated to delivering quality, reliability and consistently seamless implementations. They make it easy for you to request a WiFi survey, and they make it even easier for you to complete WiFi projects.

## **The ScanSource Services Group WiFi Team provides:**

- WiFi expertise that lets you focus on sales
- 100% guaranteed surveys and successful, seamless implementations
- A great team of people, who we send on your company's behalf, to get the job done
- Fast turnaround times and the use of our resources to help propel your profits
- The heavy lifting for certified turn-key projects!
